### **SECTION 23** **PARKING**

In the event free parking spaces are not available within three hundred and fifty (350) yards of a jobsite, the Employer will provide such facilities and shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking areas shall be reasonably level and graded to drain.
